Ref Letter: Beaver Leaders/Helpers Needed.

Dear Parent/Guardian,

The Beaver Scout section is in a crisis and is in need of adult helpers, could you help support the section by coming along to Beaver Scouts and being an Assistant Leader, Section Assistant or Helper. The Beavers meet on a Wednesday at 5.30 to 6.45 pm.

Having lost an Assistant through support to her own family, another leader has had the joyous news that she is expecting. The Beaver section is now in a situation whereby if one of the remaining leaders did not turn up on a Wednesday we may have to cancel the evening at short notice. A parent rota is a start, but a more permanent solution is to recruit full time adults.

Anyone joining the Group will get support from the other Leaders and free training via the Scout Group and from the Scouting Organisation.

We are an active Scout Group with meaningful and enjoyable activities. We do have trips out, camps, the annual Duck Race and helping with things like the Bedhampton Summer Show. Being with other like minded volunteers is a way of giving back some of the time that others have given to you and your child.

If you or anybody you know is willing to consider helping, please contact me or any one of the Leaders.

Yours in Scouting
